

# Enter now and be a winner!

London Hilton Park Lane, Friday 2nd October 2009

Deadline for entries Friday 5th June

## PROCESSOR OF THE YEAR - company award

### About this category

To enter this award you will have to have entered at least 2 of the individual company awards.

This award is open to processors (manufacturers of finished components and products using plastics materials) and OEMs processing in-house which are able to demonstrate to the judges their overall excellence. Entry into a selection of the individual categories above would be expected in addition to entering this overall category, as it would give the judges an opportunity to understand more about the company's areas of excellence.

The judges will be looking for leading performances across a number of areas, which could include business enterprise and growth, technical innovation, people development, manufacturing efficiency, customer relations or addressing environmental concerns. In other words, the company needs to be an all-round world-class processor. Following entry into this category, all finalists will be visited by a consultant, who will prepare a supplementary report for the judges.

Please complete and action all sections below

Please note: This document is designed to guide you through the entry process and ensure that you provide the information required to meet the judging criteria.

### A1 - Please state the exact name of your company and product as you wish it to appear in print or on screen

.....  
.....  
.....

Deadline for entries Friday 5th June

# ENTRY FORM

### Press Clearance

Finalists and winners will be covered in PRW magazine. The information for the entries is taken from the entry forms. If there is any specific information in your entry that is sensitive and should not be published, please make this clear at the time you submit your entry.

### A4 - Supporting material

Please detail any supporting material enclosed with this entry.

.....  
.....  
.....

Material, such as statistics, examples, diagrams, photos etc which highlight your entry are all encouraged. We do recommend that you restrict these materials to those that are most relevant and help illustrate the points you have made in your entry.

If you require any information to be returned to you please tick here

### A5 - Entry Checklist

Please read all of the following carefully, then sign and date to confirm your entry below.

#### Qualifying criteria

The significant portion of the entry must have taken place in the 18 month period January 2008 - June 2009 - however we accept that many programmes and products have longer life spans than 12 months.

We welcome entries that have an international element but the significant portion must have taken place in the UK or Ireland.

Entries must be new - products which have merely been revamped slightly or programmes which have run virtually unchanged for a number of years are not eligible.

Although we want you to keep your entry to about 400 words, we encourage you to provide supplementary material.

Make your entry form clear, coherent and concise

You need to make your case in a clear, interesting and persuasive way. The judges have many entries to assess, so they are more likely to appreciate a form which is short and succinct.

#### Structuring an entry

The entries that work best are those that include:

- An explanation of customer or market need
- An explanation of a problem and how it was solved
- The reaction from market, customers, staff
- A good summary of how the judging criteria have been met
- Present facts, be specific
- Give good examples
- Testimonials where available help a lot
- Be visual with photographs, camcorder, diagrams etc
- Include a product where appropriate

**Deadline for entries Friday 5th June**

# ENTRY FORM

### Judging

Judging for this award will take place in June and July 2009. A renowned panel of industry experts will independently judge the award. The judges' decision is final and they also reserve the right to reallocate an entry into a different category. In each category, the judges will select a small number of companies or projects for inclusion on a shortlist.

### A6 - Declaration

I confirm that I have read the entry details and this entry abides by all qualifying criteria.

Signed: .....

Date: .....

### A7 - Send your entry to us

All entries must be submitted by 5pm on Friday 5th June 2009

Return the completed entry form along with any supporting material to us as follows:

#### By post:
