
Travelling Connect and Digicel reached an agreement allowing GSM end-users to earn substantial benefits when making calls in Cayman Islands

Amsterdam, September 16th, 2009 – Travelling Connect, the service where frequent travellers can earn miles by making calls abroad, announced today that its members can earn miles or points when making calls in the Cayman Islands on Digicel's mobile network. When Travelling Connect's members make use of "Cayman's Bigger, Better Network", these members earn frequent flyer miles or frequent traveller points of any airline or hotel partner of Travelling Connect.

Marcel Wientjen, Managing Director of Travelling Connect adds: "We are very proud to have Digicel on board as now our members have also the opportunity to earn rewards in the Caribbean Region with Digicel which is the largest mobile provider there."

About Travelling Connect

Travelling Connect is one of the leading global providers of CRM solutions to the airline and telecommunication industry world-wide. Its services help mobile operators, virtual mobile operators and airlines to improve the communication with their end-user customers, whenever and wherever they are travelling in the world. Travelling Connect's partners include Air France/KLM, Hilton, Marriott, Royal Brunei Airlines, Qatar Airways, Brussels Airlines, Thai Airways, TAP Portugal, Ukraine International Airlines, Oman Air, Etihad Airways, Gulf Air, Kuwait Airways, Sri Lankan Airlines, Delta Airlines, Aeroflot, Malaysia Airlines, Lufthansa, Northwest Airlines, InterContinental Hotel Group and AeroSvit Airlines. The customers of Travelling Connect include major mobile groups such as Zain, MTN, Conexus Mobile Alliance, Vodafone and Orascom. The Travelling Connect Inbound Roaming Service is live in 20 countries in Europe, Asia, America and Middle East & Africa. Travelling Connect is also founder of Qroam Services BV (www.qroam.com).
